VOLUME 4- JANUARY 2025

BREAKING NEWS

QLD Cup trophy missing, last seen with NSW local!

Welcome to QHTCA 2025!

On behalf of the QHTCA team we trust you all have had a fantastic break away not only to spend quality time with friends & family but also to iron all those bugs out in readiness for another year of coolest racing cars going around!!!

In this issue

- QHTCA 2024 Trophy & Xmas Lunch
- Close out of 2024
- Introduction of QHTCA's 2025 Committee
- 2025 Revised Race Calendar
- All aboard! - Sponsors Update
- Membership renewals

2024 Trophy & Xmas Lunch

Firstly, the QHTCA committee would like to thank members, family & friends of the club that joined us for what was a great festive event for the club.

We would also like to thank the staff at the Glen Hotel for their hospitality and ensuring our day was one to remember!

The day started as in a festive fashion with plenty of smiles & stories of the year that was & the year that could have been. After a very quick few words from our Pres Bruce, we moved straight into a AHTCA update from Ron Blake, thanks Ron!

From there the fun began as our valued sponsor CD Power put on a Xmas game of “Steal the Sack!” with prizes totalling over \$2,000! Its fair to say there were a few crafty players of the game which resulted in plenty of laughs & tears....

It was now time for the business end of the day, the trophies! Shout out to Ipswich Trophies for their support in 2024 , the trophies we received from these guys were exceptional including our QHTCA Sponsors plaques which were complemented by all. We would like to congratulate all the round, category & outright winners for 2024.

In typical QHTCA tradition we finalised proceedings with the 2025 AGM in which we closed out 2024 proceedings & successfully elected our 2025 committee to take out club through what will be another exciting year for the club.

Once again, we give thanks to those that joined and hope the day was enjoyed by all that attended, and we look forward to a bigger & better 2025 as your Historic Touring Car Club.

2024 Close Out

QHTCA had a sensationally successful year with 4 great race meetings at the desirable Lakeside Raceway that delivered a whole year of competitive racing. 2024 was the year of the resurgences of smaller capacity cars with big consistent numbers coming out race after race and of course the outright champions being all under 3L cars. Congratulations to of course, our competitors.

2024 also seen some welcomed competitors from interstate making a great efforts to race with the QHTCA guys, Shout out to Quinton Bland & Steve Land for bringing their beautiful Capri's to run with us all the way from Bathurst & Sydney, respectively. Well-done also to our 2024 outright champion Will Colton making that journey for all 4 rounds of the season. What an effort and hopefully one Will feels was worth his efforts. Our thanks, should also be extended to our "invited car" competitors such as Grant Wilson, Brian Russell & Paul Brelsford. See you again in 2025

To the QHTCA committee, there was a big positive shift in the club momentum in 2024 from a rebrand of the club, new merch on to new sponsors & and extra focus on creating a greater social racing environment. Most do not see but there are a lot of legs below the water that makes our club tick so well-done team and rest easy for now!

To our 2024 sponsors, our achievements as a club in 2024 could not have been possible without all of your contributions big and small! Blacks Trucks, Compass Pools, CD Power, Repco Commercial & Rare Spares we thank you and look forward to future opportunities together.

Finally, to our members, competitors & families, your support throughout the year is why we are able to put on this great display of racing. Hopefully our team has exceeded your expectations in 2024 & we look forward to doing it in bigger & better fashion in 2025 with you all.

Meet the 2025 Club Team!

2025 QHTCA Championship Season

The 2025 championship will be contended over 6 rounds at 3 race tracks in 2025.

Round	Date	Venue
1	12 th April	Lakeside Raceway
2	9 th – 11 th May	Morgan Park Raceway
3	4 th – 6 th July	Queensland Raceway
4	26 th July	Lakeside Raceway
5	20 th September	Lakeside Raceway
6	17 th – 19 th October	Morgan Park Raceway

NOTE

In 2025 QHTCA has opted to introduce the “Bogey Round” meaning the competitors championship points will be a collaboration of performance over there best 5 rounds. Giving the ability to remove your worst round from you culmination of points.

2025 Club Sponsors

Although we are very early into the 2025 year our team has been working hard to secure businesses to partner with QHTCA in 2025.

To date but not limited to, we have:

CD Power has confirmed they will remain onboard with the QHTCA team for another year.

Repco Commercial has also confirmed they will be a part of the fabric once again. This year Repco has added a little sweater for ALL QHTCA they will receive their own Repco VIP discount card! How cool is this?

Elf Race Fuels have come onboard for 2025 also which is fantastic and will be a game changer for our club no doubt.

Blue Print Engines is QHTCA's first international sponsor! With a focus to increase their presence in motorsport around the world, Blue Print Engines have hand picked QHTCA to represent their brand!

John White Race Engines, everyone knows Marty does a fantastic job and his teams engines lead many packs in many categories of racing however Marty & Sharron have displayed their generosity to show their support & passion for Group N racing. Thanks guys!

2025 Club Membership

If you have not got your membership settled for 2025 then there is no time like the present! With a 6 round racing season, plenty of generous offers from our sponsors & generally a good fun social atmosphere there is no better time to be a part of the QHTCA culture!

Its now a simple process!

Email Garry or Rob on any of the below details and we will send you the very simple form to complete and return and your done!

Garry Saunderson saundson@bigpond.com
